

BRE TIMELINE 1968 to 2017

Facts regarding BRE have been included in the timeline which have been gathered from credible sources. A dot point list of claims have been included outside of this timeline. This information posted to WS requires verification and sources, it may be subject to change as more information becomes available.

All Claremont attacks, rapes and murders have been included with the view to establish their relevance or to eliminate.

Other known murders, missing persons, rapes and attacks have been included but are in no way intended to associate these cases with the CSK or BRE. Hopefully the inclusion of these cases will jog the memory of someone with useful information.
