Re: State v. Bodhi C. Starns,
Pontotoc Co. Case Nos. CF-2019-425 & CF-2020-71

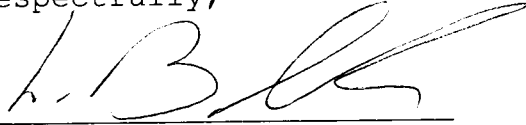

Mr. Starns:

On November 18, 2020 the District Court of Pontotoc County granted your Motion to Dismiss in the above cases. A copy of the Order for each case is enclosed with this letter. The State of Oklahoma has filed an appeal with the Oklahoma Court of Criminal Appeals on November 24, 2020. Pursuant to the Court's Order, you will not be released from the Pontotoc County Justice Center as to these two (2) cases until such time as the Oklahoma Court of Criminal Appeals issues a mandate (ruling) on the appeal AFFIRMING the Trial Court's Order.

As my duties for you as trial counsel have been concluded in the above two (2) cases, the Appellate Division of the Oklahoma Indigent Defense System will now take responsibility of your cases during the appeal phase. If you have questions, you should direct the same to:

Oklahoma Indigent Defense System,
ATTN: Non-Capital Appellate Division
P.O. Box 926
Norman, OK 73070

Respectfully,
