Contact with family and friends has not been made since the 1st of April. The last confirmed sighting was on Tuesday the 2nd of April leaving the hotel Valle Romano Golf and Resort.

Daniel was driving a **Grey Peugeot 308** with the **registration number 0254KTM**. The car has not since been located or been returned to the car hire company. All belongings and passports have been left at the hotel which suggests that they did not plan their disappearance.
